

Directions: Using the example provided, the St. Louis Workforce Development Map, begin creating an asset map or web that is reflective of the programs, services, agencies, organizations, employers, and resources/supports unique to your area. An “asset bank” is provided to assist you as you start but it is not all inclusive nor will it reflect your local’s area unique services, programs, or resources. Also, please feel free to add any additional circles or anchor points. Use an asterisk to denote any relationship that is not currently strong and the LWDB may need to invest resources to strengthen. Use a dollar sign to denote a potential funding source that aligns with LWDB’s strategic goals/priorities.
