Noncompetitive Procurement

Noncompetitive Procurement

- Sometimes called “sole source” is when a buyer (LWDB) selects the provider or limits the providers that can submit proposals.
- Certain criteria must be met for a LWDB to use “sole source” procurement.
 - In public exigency or emergency
 - When competition is deemed inadequate

Key Takeaways

One-Stop Operators, One Stop Career Services, and One Stop Youth Providers must be selected through competitive procurement as required by WIOA.

Competitive procurement is a process which allows LWDBs to maintain strong business practices, ensure compliance with various regulations, and promote the best possible value, service and pricing in the sourcing of goods and services in the LWDA.

All governance roles can be leveraged to play a role in procurement, depending on your local structure and priorities.
