Referral Processes Worksheet
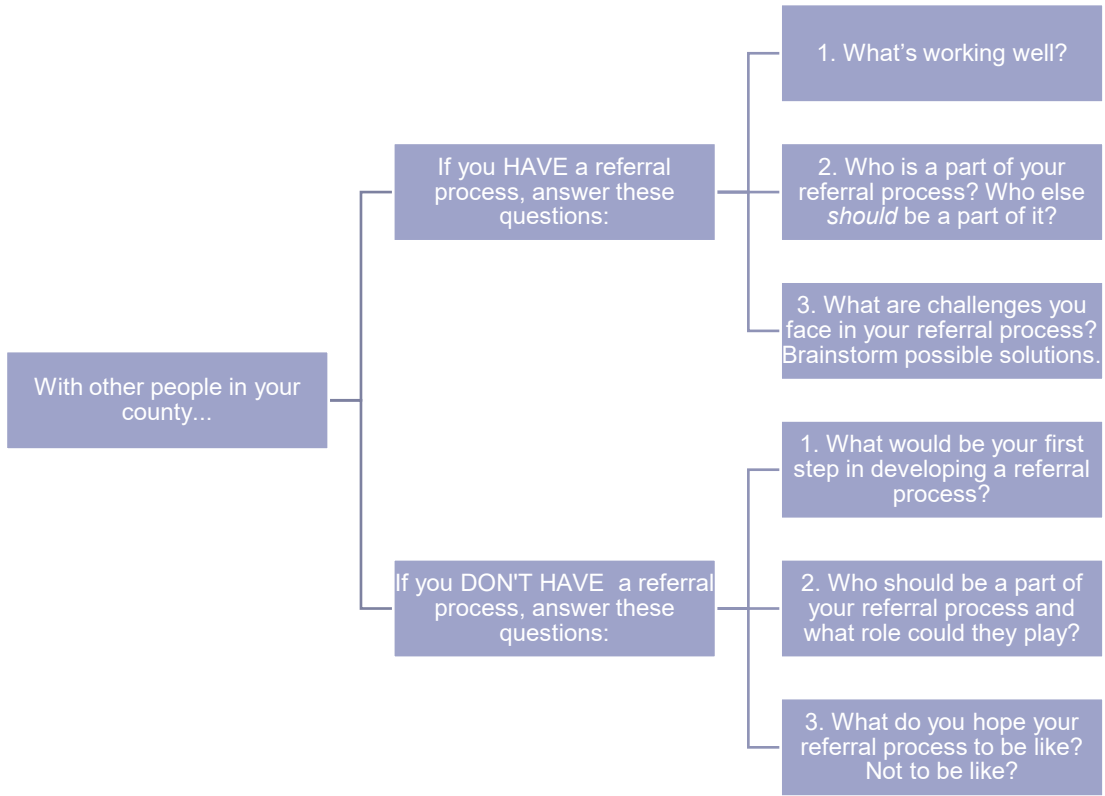

With other people in your county...

If you HAVE a referral process, answer these questions:

1. What's working well?

2. Who is a part of your referral process? Who else *should* be a part of it?

3. What are challenges you face in your referral process? Brainstorm possible solutions.

If you DON'T HAVE a referral process, answer these questions:

1. What would be your first step in developing a referral process?

2. Who should be a part of your referral process and what role could they play?

3. What do you hope your referral process to be like? Not to be like?
