Questions & Answers

Q1: To assist in preparing a response for GSETA's RFQ for Financial Audit & Tax Services, I was wondering if you could send a copy of your most recent audit report and tax return?

A1: **GSETA does not have any prior audit report records but has participated in Compilation Engagements. The most recent report included fiscal years ending 2017 and 2018. A copy of this report will be posted to the website with the Q&A document. Our board has declined to share the 1099 tax documents.**

Q2: In regard to the audit service, is this being required for the board or is there an outside 3rd party which is requiring?

A2: **There is no 3rd party involved and this is being initiated by our board.**

Q3: Are the operations in 2025 consistent with 2024 or were there new funding sources, etc.?

A3: **We anticipate consistent operations in 2025.**
