Keynote: Josh Davies

Josh Davies is an award-winning dynamic speaker, thought leader, and advocate for building stronger communities through workforce and education. With more than two decades of leadership experience across business, education, and workforce development, he brings both passion and practical strategies to audiences around the world. As the founder of The Non-Prophets, Josh convenes global thought leaders to address pressing challenges in the future of work. He is recognized for his ability to make complex issues both relatable and actionable. His message is clear: the future of work is already here, and success will come from strengthening our human skills. Respected as a trusted authority, his engaging style, global perspective, and commitment to action make him a sought-after speaker for anyone looking to understand and navigate the rapidly changing world of work.
